DID YOU KNOW?

The name 'Cutting Noodles' comes from the method of making the noodle itself. The noodle is made using a knife to cut the dough into thin slices. The shape of the noodle is similar to that of a leaf, thick in the middle and slender on the sides.

你知道吗?

刀削面的命名来自于其制作的方法。这种面由厨师用刀将面团切成面片而成。面条的形状与树叶相似，中间厚，边缘薄。

请尽情享受这一刻!
